# MAY 2021 ZEARING NEWSLETTER

*Come and join us as we start a New Era for Zearing Heritage!*

During the shutdown we have been inspired to create a new beginning for the Zearing Heritage room. During the past months Tim Adams has stepped up and contributed many pictures, posters and a model of Zearing's Main Street, Era 1930, for which we will be creating a train garden to add fun and interest.

Thanks to Jean Watts for joining our group.

WE need and want more space which has inspired us to start fundraising to expand the space we now have or "acquire" or build at another location.

There are plans to acquire equipment to help folks convert family pictures and VHS tapes to digital media.

We also want to add activities that involve our current younger community member so that we can create a "future" heritage.

If you are interested in joining our future, please do. We will need folks to:

- Organize current materials
- Help submit Grant applications
- Guide and implement the "digitizing" for folks
- Help create and participate with our interactive activities
- Bingo!
- Fund Raising
- And "Whatever"!!
- Bring your ideas!!
